PIMA COUNTY RECORDER  
BY Beth L. G. Adams Deput

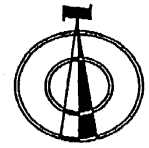

**NOTES:**

1. This survey was performed without a title report. No attempt has been made to locate possible easements of record. The original survey in Book 19 of PCR, Page 15 of PCR was used as a guide for the changes that needed to be made.
2. According to Arizona Statutes it is unlawful to deface, disturb or destroy a land survey monument that bears the registration number of a land surveyor or bears an agency's name.
3. The sole purpose of this plat was to change the lot configuration, show the easements and to add parcel numbers.
4. Easements as shown on this drawing, are conveyed with this record of survey, are for public utilities and private access.
5. Minimum lot size to be 7.89 acres.

**SURVEYOR'S STATEMENT**

This is to state that this map, consisting of one (1) sheet correctly represents a replatting of a survey recorded in Book 19 of Surveys, Page 15 of PCR, and to the best of our knowledge is true and complete. All monuments shown as set, by this survey actually exist. The positions of the original monuments are shown and said monuments are sufficient to enable the monuments to be retraced.
